

# Wheelchair Accessible Vehicles Hire & Lease

A wide range of wheelchair accessible vehicles to  
suit your needs

**autoextras**  
group

Providing a range of hire and lease options for wheelchair accessible vehicles. With over 15 years industry experience, Auto Extras provides the solution for your requirements, ranging from a 1 day hire through to a 5 year lease.

Hiring or leasing a vehicle allows you to enjoy the benefits and opportunities a wheelchair accessible vehicle provides without the additional expenditure, implications and maintenance of owning and maintaining a vehicle.

### Short Term Hire Inclusions

- Full Comprehensive Insurance
- Tolls Included
- Unlimited KM's
- NDIS funding available
- Vehicle Drop off and Pick up available at additional cost
- Modern and reliable vehicles

## Long Term Lease

Long term leases are customised to suit your requirements. An assessment will be completed of your needs, including your facility, clients and carers, enabling a customised proposal and recommendation of the correct mobility vehicle and modifications suited to your needs, including all costs associated to the vehicle, modifications, registration, maintenance and insurance.

### Long Term Lease Inclusions

- Delivery of the modified vehicle to your facility
- Upgrades or replacements to your vehicle during the leasing term should your circumstances change
- Training on the operation of the equipment
- 24/7 roadside assistance
- Ongoing maintenance where required

## Short Term Hire

Our fleet of wheelchair accessible hire cars provides a range of options to choose from. All vehicles are modern vehicles with automatic transmission.
