

EXTERNAL WHEELCHAIR STOWAGE UTE MOUNTED WHEELCHAIR HOIST AL425HD

High Capacity 450 lb Hoist Lift

This 450 lb capacity lift solves the challenges created by heavier, more technologically advanced power chairs. Harmar's heavy duty construction and stronger components still allow for a light install weight of 70 lb. Strong enough to get the job done, while still not adding significant weight to your vehicle.

EXTERNAL WHEELCHAIR STOWAGE UTE MOUNTED WHEELCHAIR HOIST AL425HD

AL425HD Benefits

- One person operation
- Powered lifting and rotation functions
- Built with offset post that allows for easy curbside loading
- Ideal for Utes and full size vans
- Passenger or driver-side compatibility
- Weather resistant hand controls or an optional wireless control

Pendant Controller

- Easy to grip base with soft, non-slip rubber coating
- Backlit buttons for night use
- Built-in LED flash light to assist with visibility while loading
- On-Off button with shut-off timer to prevent unintended activation
- Magnetic backing for convenient stowage - elevated from water in utes
- Attractive, modern aesthetics

Easy Loading

One person operation takes just 40 seconds

1. Attach docking device (not included) to mobility device
2. Lift mobility device above bed height
3. Rotate mobility device into cargo area
