

Wheelchair Accessible Vehicles Hire & Lease

A wide range of wheelchair accessible vehicles to
suit your needs

autoextras
group

Providing a range of hire and lease options for wheelchair accessible vehicles. With over 15 years industry experience, Auto Extras provides the solution for your requirements, ranging from a 1 day hire through to a 5 year lease.

Hiring or leasing a vehicle allows you to enjoy the benefits and opportunities a wheelchair accessible vehicle provides without the additional expenditure, implications and maintenance of owning and maintaining a vehicle.

Long Term Wheelchair Accessible Vehicle Lease

Long term leases are customised to suit your requirements. An assessment will be completed of your needs, including your facility, clients and carers, enabling a customised proposal and recommendation of the correct mobility vehicle and modifications suited to your needs, including all costs associated to the vehicle, modifications, registration, maintenance and insurance.

Long Term Lease Inclusions

- ✓ Delivery of the modified vehicle to your facility
- ✓ Upgrades or replacements to your vehicle during the leasing term should your circumstances change
- ✓ Training on the operation of the equipment
- ✓ 24/7 roadside assistance
- ✓ Ongoing maintenance where required
- ✓ Vehicle Tracking

Short Term Wheelchair Accessible Vehicle Hire

Our fleet of wheelchair accessible vehicles for short term hire includes a range of small, medium and large mobility-modified vehicles to suit most wheelchair-accessibility requirements.
